POSTKARTE

The Column of Alexander I. was erected in the year 1834 in the centre of the magnificent square in front of the Triumphal Arch of l'Etat Major. The column is surmounted by the figure of an angel bearing a cross.

La Colonne Alexandre I. fut érigée en 1834 sur la place du palais en face de l'arc triomphal de l'Etat Major; son sommet est surmonté d'un ange soutenant une croix.
